RELAXING TREATMENTS

Lipid Booster + (20 Min.)..... Starts From ₹ 2000

For damaged to severely damaged hair that needs specific attention. With Lipid Booster+ your hair gets deeply reconstructed, instantly stronger against breakage and a smooth hair feeling.

Molecular Hair Refilling (60 Min.)..... Starts From ₹ 4000

This treatment deeply reconstructs fragile and sensitised hair, featuring Liquid Hair's iconic molecular refilling formula. This instantly improves look, feel and resilience without overloading, while reinforcing the hair fibre for up to five washes. An exclusive heat activated protocol to compensate for the loss of keratin and reconstruct very damaged hair fibre resulting in 125% more hair resistance.

Regenerate & Intense (60 Min.)..... Starts From ₹ 4000

This unique treatment is the ultimate combination of performance and relaxation to bring out your hair's inner beauty. Featuring the System Professional AMOA Massage, based on acupoint massage techniques, it stimulates the energy meridians while providing a long-lasting hair and scalp transformation. The Intense Treatment includes our Intense Massage, which ensures that the ingredients penetrate deeply, whilst stimulating the scalp and relaxing daily tensions.

Dark Oil Treatment (60 Min.)..... Starts From ₹ 4000

Dark Oil treatment will smoothen the hair and add body, giving it weightless shine and finish. With a luxurious blend of natural oils like sandalwood, cedarwood and argan, Dark Oil has an incredible fragrance. Thanks to DiffusX technology, the oil disappears into the hair and it's easy to distribute evenly. Dark Oil treatment replenishes the hair from the inside out, providing smoothness to the cuticle, adding texture for effortless styling. The oil can be cocktailled with other products for endless styling possibilities.

Difference between BLEACH and D-TAN

D-tan is removing the tan from the skin..while bleach is applied on skin but it changes the color of your hair wherever applied. The color of the hair becomes lighter so that the facial color or the color of the skin looks brighter and better while d-tan involves various methods to remove darkened thin layer from the skin to improve the complexion or the beauty.
